ACHIEVING THE SWEET SPOT 2019:

Latest Advances in Diabetes Care for the Multidisciplinary Team

.....
Friday, Nov. 15
Michigan State University
Management Education Center

811 W. Square Lake Road
Troy, MI 48098

Provided by Beaumont Health
in collaboration with the
American Diabetes Association

.....

Beaumont

Description:

This educational symposium will provide health care providers with practical approaches for the management of diabetes. Participants will have the opportunity to become updated on current evidence-based guidelines, focus on practice-based learning and improvement and network with colleagues.

Target audience:

Physicians, physician assistants, nurses, nurse practitioners, pharmacists, dietitians, fellows, residents and students with an interest in the areas of family medicine, endocrinology and internal medicine.

Objectives:

At the conclusion of this conference, participants should be better able to:

1. Explain the potential clinical implications of pivotal trials of 2019.
2. Describe the importance of hemoglobin A1C and time-in-range.
3. List key items to look for when recommending mobile apps to a person with diabetes.
4. Evaluate the place in therapy of metformin in the new era of treatment options for Type 2 diabetes mellitus.
5. Review the pharmacologic mechanisms and clinical data examining the efficacy and safety of new agents for the treatment of Type 2 diabetes.
6. Discuss areas of opportunity to reduce drug induced hypoglycemia in the hospital.
7. Define a fad diet and name weight loss programs that are safe to follow by a person with diabetes.
8. Summarize the cardiovascular benefits of improved cardiorespiratory fitness in persons with and without cardiovascular disease and how these benefits compare with commonly prescribed cardiovascular medications.
9. Identify key foundations of motivational interviewing and practice seven new techniques for dealing with "stuck" or "resistant" patients.

Beaumont

Desired Learning Outcome:

After attending this event, the learner will have increased knowledge of the current evidence-based guidelines, new classes/agents available for the treatment of diabetes and strategies for motivating patients to incorporate lifestyle changes.

Physician Continuing Medical Education:

Beaumont Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 5.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Dietitian Continuing Professional Education:

This activity is approved for 5 CPE credits for dietitians.

Nursing Continuing Education:

Beaumont Health is approved as a provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) 5.25 contact hours awarded.

Participants must sign in, attend the entire conference and complete the online evaluation form to receive contact hours. A statement of credit may be printed after submitting the evaluation.

Pharmacist Continuing Education:

 ACPE Universal Activity Number: To be listed. Beaumont Health is accredited by the Accreditation Council for Pharmacy Education as a provider of Continuing Pharmacy Education.

Pharmacists have the opportunity to earn 5.25 hours of continuing education credit. These activities are structured to meet knowledge-based educational needs. In addition, a valid NABP e-profile number and DOB must be submitted during the activity. The CPE Monitor website may be checked within 30 days from the date of the activity to determine if credit was awarded. Participants must sign in, attend the entire session and complete an evaluation form to receive contact hours.
