

Symposium for Primary Care Medicine

Available December 1-15, 2020

Beaumont Health and MSU College of Osteopathic Medicine are committed to providing a high-quality annual symposium and are pleased to announce this year's symposium will be transformed into a safe, *virtual, on-demand* experience!

This year's conference will be entirely **VIRTUAL** allowing you to create a *flexible CME experience* that works best with your needs and schedule.

View lectures *at your convenience* from **December 1-15**.

Simply log in and participate from your home, office, or anywhere you are.
