

ENGAGE ENVISION

**TWENTY-FIFTH ANNUAL
MEDICAL STAFF SYMPOSIUM**

JUNE 15-17, 2023
BOYNE MOUNTAIN RESORT
BOYNE FALLS, MI

Corewell Health™

WELCOME

The 25th anniversary of the Beaumont Medical Staff Symposium is a momentous occasion, marking a quarter-century of bringing together some of the brightest and most innovative minds in the medical field. Over the years, this conference has been a platform for sharing knowledge, discussing the latest breakthroughs, and exploring new ideas and approaches to healthcare.

Throughout its history, this conference has been a source of inspiration and collaboration, providing doctors with an opportunity to connect with, learn from each other's experiences, and form lasting professional relationships. It has been a place where doctors can come together to explore the challenges facing the medical community and to work towards finding solutions.

As we celebrate this milestone anniversary, we reflect on the many achievements of the past 25 years, and we look forward to the next 25 years with excitement and anticipation. We are proud of the impact that this conference has had on the medical community and the countless lives

that have been touched by the work of the doctors who have attended. We are confident that this conference will continue to be a vital forum for innovation, collaboration, and progress in the years to come.

The theme of this year's conference is "Engage and Envision." As physicians, we strive to engage with our families, colleagues, patients, the hospital system, and the issues that affect us. Our challenge is to become agents of change and envision a future that keeps patients at the center of all we do while insuring the well-being of our physician colleagues.

Have a wonderful conference and thank you for sharing your time and your families with all of us.
