19TH ANNUAL MEDICAL STAFF EDUCATIONAL SYMPOSIUM

June 24-25, 2016
Boyer Mountain
Boyer Falls, MI

KEEPING IT IN THE FAMILY

Welcome

Last year, our colleagues from Botsford and Oakwood Health System came to Boyne Mountain for the first time. Not surprising to Symposium veterans, the result was the same. The academic program was outstanding and everyone had a good time. While new friends were made, the laughter of children and the commitment to learning remained unchanged. The only difference was that we added Team Trivia to the program. This further emphasized our similarity; everyone, regardless of institution or background, competed vigorously! Last year many of us were meeting for the first time. This year we return to celebrate a successful year together. Beaumont Health is firmly on the map and an organizational strategy is now in place. Yet we remain challenged by the tsunami of change in health care. Amidst this uncertainty, the Beaumont Health Medical Staff Symposium remains an opportunity to enjoy a few days of stability, unless you choose to participate in the Family Scavenger Hunt where anything goes! Have a great weekend.
