

Dermatopathology: Know Your Limits

For the 2016 Beaumont Pathology Seminar, we are pleased to present a panel of internationally renowned physicians.

Building on the success of last year's seminar, this exciting educational event promises significant opportunities for professional education, networking and resource building for clinicians and pathologists alike.

Who should attend

We welcome all physicians and health care professionals interested in this fast-paced specialty of clinical laboratory science. This year's seminar is focused on dermatopathology and geared toward:

- dermatopathologists
- pathologists
- oncologists
- hematologists
- primary care/internal medicine physicians
- residents and fellows

Continental breakfast, lunch and break refreshments will be provided. Exhibits will be open, where you can learn of new products and services available to enhance your practice.

We are able to bring you these excellent educational opportunities at a modest registration fee, thanks to our commercial exhibitors. We hope you will make the time to join us.

Sponsoring institution

This symposium is sponsored by the Department of Pathology and Laboratory Medicine at Beaumont Hospital in Royal Oak, Michigan.

Objectives

1. To review and use histopathologic criteria that aid in discriminating between select challenging cutaneous lesions.
2. To review and recognize atypical melanocytic proliferations and develop a diagnostic approach to difficult pigmented lesions.
3. To recognize clinical and histopathologic findings in panniculitis and vasculitis, develop an appropriate differential diagnostic approach, and apply diagnostic criteria in the evaluation of select entities.
4. To review clinical and histopathologic features of select cutaneous infections and infestations, and recognize key findings in the diagnosis of infectious processes in the skin.

Accreditation and credit designation

William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

PRA credits

William Beaumont Hospital designates this live activity for a maximum of *7.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SAM credits

This seminar has been approved for American Board of Pathology Self-Assessment Module (SAM) Maintenance of Certification (MOC) credits.

Disclosure information

All speakers have been asked to disclose any significant relationships they may have with commercial interests. The presence or absence of relationships (as well as off-label discussions of products) will be disclosed at the time of the meeting.
