Medical Director

Introduction

This conference is designed for OB/GYN Physicians, Nurses, Nurse Practitioners and Physician Assistants who treat patients with endometriosis. Participants will review the current treatment of endometriosis and its long-term effect on fertility and association with pelvic pain.

Objectives

At the conclusion of the activity, learners should be better able to:

- Review accepted methods in the treatment of pelvic pain associated with endometriosis.
- Discuss current accepted methods in the surgical treatment of pelvic pain associated with endometriosis.
- Recognize current accepted methods in the medical treatment of infertility associated with endometriosis.
- Identify current accepted methods in the surgical treatment of infertility associated with endometriosis.

CME Accreditation and Credit Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Beaumont Health and IVF Michigan Fertility Centers. Beaumont Health is accredited by the ACCME to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.
