

# Insight into Specialty Palliative Care Services

**Tuesday, February 2<sup>nd</sup> • 11:30 AM to 12:30 PM**  
**Beaumont Hospital - Dearborn | Kalman Auditorium**

**Due to capacity restrictions in Kalman Auditorium, pre-registration is required.**  
**The presentation will also be live-streamed and recorded for later viewing\*.**

***Open to Beaumont Staff Including:***  
***MD, PA, NP, RN, Care Manager & Social Worker***

This presentation will offer increased education and awareness of specialty palliative care and spiritual support services at Beaumont Dearborn to the care teams that support patients who are dealing with a difficult or life-limiting diagnosis to further align with the patient's **care goals**.

## Learning Objectives:

- Initiate open conversations between nursing staff, social workers, and physicians supporting the usage of palliative care services.
- Discuss strategies to increase patient awareness to the benefit of palliative care services.
- Educate patients and family on the benefits of palliative care services.
- Facilitate positive change in provider culture surrounding palliative care.
- Assess the appropriateness of palliative care versus hospice care.

## Speakers:

- Jacqueline Mohs, MD, BC-HPC, G, IM
- Monica Neubauer, MSN, AGPCNP-BC, ACHPN
- Stacy Simons, MSN, AGPCNP-BC, ACHPN, OCN
- Katie Knight, MSN, FNP-C, ACHPN
- Judith Schlueter, MA, BCC
- Tammie Peters, LMSW, ACHP-SW

\*CME, CE, & Contact Hours also offered for recorded module.
