

DESCRIPTION

The educational activity will offer the primary care clinician practical approaches to the management of contemporary issues encountered in today's clinical populations. The conference has been designed to offer options for the attendees to obtain information most relevant to their individual practices by offering workshop choices. Throughout the day, participants will have the opportunity to become updated on current evidence-based guidelines, focus on practice-based learning and improvement, and network with colleagues.

TARGET AUDIENCE

Physicians, physician assistants, psychologists, nurses, nurse practitioners, fellows, residents and students with an interest in the areas of family medicine, internal medicine, gynecology and pediatrics.

OBJECTIVES

At the conclusion of this conference, participants should be better able to:

- Recognize, evaluate and treat the following conditions: heart failure, hypertension, autoimmune disorders, asthma/COPD, frequently encountered psychiatric conditions, common musculoskeletal disorders in adolescents and adults, GU dysfunction, and infectious diseases according to evidence-based guidelines.
- Assess and improve cardiovascular risk in diabetic patients and preoperative patients.
- Recognize the role of integrative medicine approaches to pain management.
- Identify and recognize the specific needs LGBTQIA patients may have.
- Recognize risks of sudden cardiac death in the young athlete.
- Utilize strategies for teaching medical students and residents in the office setting.

ALLOPATHIC CONTINUING MEDICAL EDUCATION

Beaumont Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 7.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OSTEOPATHIC CONTINUING MEDICAL EDUCATION

Beaumont Health System – Troy Hospital is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

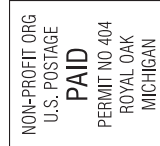

Beaumont Health System – Troy Hospital designates this program for a maximum of 7.25 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

AMERICAN ACADEMY OF FAMILY PHYSICIANS CME

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

OTHER HEALTH CARE CLINICIANS

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.
