

## LGBTQ+ HEALTH DISPARITIES AND COMPETENT CARE

In recognition of Pride Month, the Beaumont, Grosse Pointe Diversity & Inclusion Committee is hosting an introductory Lunch and Learn on LGBTQ+ history, health care disparities and the provision of competent care.

Friday, June 21

noon-1 p.m.

Connelly Auditorium

### Presenters:

Dr. Robert McClowry

Ana M. Tyler, JD, MA,  
clinical ethicist

### Objectives:

- Recognize the health care disparities that exist for LGBTQ+ populations.
- Reflect upon one's own clinical practice patterns and how they address the needs of the LGBTQ+ community.
- Implement culturally-competent techniques to provide exemplary care to individuals of the LGBTQ+ community.

**Registration is not required.**

Physician CME, Nursing, Social Work and Psychology CE credit available.

Livestreaming will also be available.
