

6th Annual

## *William Davidson* Medical Education Week

May 15 – 19, 2017

### **William Davidson Lecture in Medical Education** **Teaching, Researching and Caring for** **Patients in Pittsburgh: Novel Strategies**

featuring Arthur S. Levine, M.D.

**Wednesday, May 17 | 8 – 9:30 a.m.**

Beaumont Hospital, Royal Oak - Administration Building | 1st Floor, Auditorium

Arthur S. Levine, M.D., Senior Vice Chancellor for the Health Sciences and John and Gertrude Petersen Dean of the School of Medicine, University of Pittsburgh, is also a Professor of Medicine and Molecular Genetics. Beyond his University responsibilities, Dr. Levine works closely with the University of Pittsburgh Medical Center (UPMC), one of the largest academic medical centers in the United States, to ensure that health care delivery, biomedical research and education — the three legs of the “classic academic stool” — remain equally strong and well positioned for future growth.

This activity has been approved for *AMA PRA Category 1 Credits(s)*.™  
This activity is eligible for meaningful participation credits.
