In support of improving patient care, Beaumont Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Nursing CE: Beaumont Health designates this activity for a maximum of 1.0 ANCC contact hour. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Objectives

1. Identify the major neonatal diseases for which nasal continuous positive airway pressure therapy is used
2. List reasons why prolonged nasal continuous positive airway pressure therapy is beneficial in the preterm population
3. Discuss the key areas of assessment for a neonate on nasal continuous positive airway pressure to help ensure the therapy is functioning appropriately and to prevent complications

Disclosure | All individuals involved with this activity have no relevant financial relationship(s) with ineligible companies to disclose.

Questions? CHEcme@corewellhealth.org

To access the module:

1. Go to <https://beaumont.cloud-cme.com/NCPAP>
2. Click **Begin Activity**
3. Click **Register** (this module is free for Corewell Health employees – **you must be logged into the CME portal through the employee login [sign in with your organization ID]**)
 - a. Once registered, click the link that will appear in the registration confirmation screen – or go to My CME > Registrations & Receipts and click the activity title
4. Click **Begin Activity** again
5. Click **Pre-test** and answer all questions.
6. Click **Launch Video** and click **Authenticate** where prompted.
7. View the 1-hour video; when finished, close the video window and click **Post-Test**.
8. Answer all post-test questions, click Check Answer, click **FINISH TEST**
9. Click on **Complete Evaluation** (if you are not automatically directed to the evaluation upon completion of the attestation, go to **My CME > Evaluations & Certificates**)
