

Neurology for the PCP October 13, 2017 • Troy Marriott

Description - This conference is geared toward primary care physicians. The key objectives are to help the primary care provider identify neurological symptoms and treatment options.

Target Audience – Physicians, physician assistants, nurses, nurse practitioners, allied health, residents, fellows, medical students in the specialties of family medicine, internal medicine and pediatrics.

Objectives – At the conclusion of this activity, learners should be better able to:

- Identify signs and symptoms associated with specific neurologic disorders
- Explain treatment options for patients with neurological symptoms
- Instruct participants on guidelines for patient referral
- Describe follow up recommendations to reduce readmissions

Accreditation and Designation Statement

William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.
