

This conference is designed to provide participants with a practical update on a variety of key topics for the primary care practitioner.

Objectives

At the conclusion of this activity, participants should be better able to:

- list the common food allergies seen in children and the approach of their management
- describe the common thyroid function tests in children and how they should be interpreted
- explain how to evaluate a child who is refusing to eat
- recall the pediatric movement disorders that are concerning for parents

Target audience

Primary care physicians, pediatricians, family practitioners, pediatric nurse practitioners, physician assistants, residents, fellows and students

CME accreditation and credit designation

William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of *4.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
