

This conference is designed to provide participants with a practical update on a variety of key topics for the primary care practitioner.

## Objectives

**At the conclusion of this activity, participants should be better able to:**

- recognize the early signs of Type 2 diabetes in children
- describe the appropriate initial investigations for hematuria in childhood
- list the common problems encountered by breast-feeding mothers and the interventions that have been shown to help
- recognize the early signs of the autism spectrum in childhood
- discuss the approach to a child with eating difficulties
- recall the presenting clinical features of Lyme disease and its diagnostic evaluation

## Target audience

Primary care physicians, pediatricians, family practitioners, pediatric nurse practitioners, physician assistants, residents, fellows and students

## CME accreditation and credit designation

William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 4.0 AMA PRA Category 1 Credit(s).™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 4.00 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.
