

Innovations in Cancer Care: Practical Tools for Your Practice

Overview

Keynote discussion topics:

- Protons and Brachytherapy: More Dose in Less Time with Better Outcomes
- Progress and Future Directions in Melanoma Immunotherapy
- Barriers to Oncological Access
- Understanding Urban Men’s Health
- Cytoreductive Surgery and Heated Intraperitoneal Chemotherapy (HIPEC) for Peritoneal Carcinomatosis

Objectives

- Recall and discuss the guidelines for cancer screening.
- Develop and implement systems in practice to educate patients on the importance of screening.
- Formulate treatment options for those who need therapy.
- Explain updated screening guidelines and management of cancer patients to primary physicians.

Accreditation

William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.

Target audience

Primary care and specialty physicians, physician assistants, nurse practitioners, fellows, residents, medical students, and other health professionals including those clinicians who practice general medicine, geriatrics, emergency medicine, neurology, gynecology, pathology, pediatrics, radiology, radiation oncology, surgery, urology, dermatology, and medical oncology.

Disclosure statement

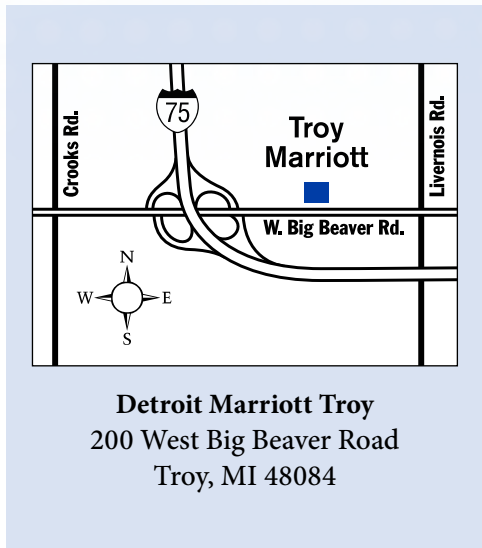

All speakers and planning committee members have been asked to disclose any relevant relationships they may have with commercial interests. The presence or absence of relationships as well as off-label discussion of productions will be disclosed at the time of the meeting.
