

DESCRIPTION

This educational activity will offer the primary care clinician practical approaches to the management of contemporary issues encountered in today's clinical populations. The conference has been designed to offer options for the attendees to obtain information most relevant to their individual practices by offering workshop choices. Throughout the day, participants will have the opportunity to become updated on current evidence-based guidelines, focus on practice-based learning and improvement and network with colleagues.

TARGET AUDIENCE

Physicians, nurse practitioners, physician assistants, fellows, residents and students with an interest in the areas of family medicine, geriatrics, internal medicine, gynecology and pediatrics.

OBJECTIVES

After this conference, participants should be better able to:

- Appropriately recognize, evaluate and treat, according to evidence-based guidelines, the following conditions: Lyme and other tick-borne diseases, pulmonary hypertension, adrenal abnormalities, erectile dysfunction in CAD patients, movement disorders, common dermatologic conditions, HPV-related cancers, celiac disease, allergies/asthma in pediatric patients, common urgent care conditions and joint conditions amenable to in-office injections.
- Utilize updated guidelines for breast cancer screening and anticoagulant use.
- Recognize the role of the gut microbiome and integrative medicine for appropriate patients.
- Identify how to recognize and reverse heart disease.
- Recognize and apply ethics and health care policy related to pain.

ALLOPATHIC CONTINUING MEDICAL EDUCATION

Beaumont Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

OSTEOPATHIC CONTINUING MEDICAL EDUCATION

Beaumont Health is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

Beaumont Health designates this program for a maximum of 7.0 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

OTHER HEALTH CARE CLINICIANS

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.
