

Palliative Care in Action

Practical Tools for Your Practice

Learn the latest tips and strategies that will help you provide excellent care to patients and families facing serious illnesses. These include how to have difficult conversations, helping patients cope with chronic pain, ethical issues and advanced care planning.

Sept. 1, 2016

7:30 a.m. to 12:30 p.m.

PNC Building, Classrooms 1-4

755 West Big Beaver Road, Troy

Target audience

Primary care and specialty physicians, NPs, PAs, fellows, residents, students, nurses, social workers, administrators and spiritual care professionals.

Objectives

- Define the difference between palliative and hospice care.
- Identify new skills that will improve the care of patients with life limiting illness.
- Describe how palliative care spans the continuum of care from acute to post-acute settings.
- Apply strategies to assist patients and families in planning their care according to their goals and wishes.

Accreditation

William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 4.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
