Introduction
This conference is designed for OB/GYN physicians who would like to get updates on PCOS. PCOS and Hirsutism are among the most common endocrinopathologies in the reproductive age women. The aim of this presentation is to fill gaps in the current knowledge and familiarize care providers with new therapies.

Objectives
At the conclusion of the activity, learners should be better able to:

- Identify and discuss the accepted diagnostic criteria for PCOS
- Discuss current therapies for PCOS associated Hirsutism
- Compare current and new therapies for ovulation induction for patient with PCOS
- Identify current therapies to control glucose intolerance in patients with PCOS
- Recognize the role of metformin in patients with PCOS

CME Accreditation and Credit Designation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of William Beaumont Hospital and IVF Michigan Fertility Centers. William Beaumont Hospital is accredited by the ACCME to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
