

8th Annual
**PACIFIC
RETINA
CLUB**

UCLA Meyer & Renee Luskin Conference Center
Los Angeles, CA

January 21-22, 2022

The Pacific Retina Club was established to bring together retina specialists from the Western United States to discuss interesting retinal cases and exchange knowledge and expertise regarding the evaluation and management of common and rare retinal diseases.

Join us for a **spirited case conference** on Friday, January 21, 2022 and a **comprehensive retina update** on Saturday, January 22, 2022, that will cover a wide array of topics including artificial intelligence, genetics, imaging, age-related macular degeneration, diabetes, uveitis, tumors, surgery, pediatrics, clinical trials, and the business of ophthalmology.

MEETING HIGHLIGHTS

- Distinguished Faculty
- Innovative cases and presentations
- Energetic, dynamic, and insightful discussions
- Latest innovations in retinal disease
- In-depth coverage

Presented by
**INTERNATIONAL
RETINAL IMAGING
SOCIETY**
