INTRODUCTION

Practical Update in Cardiology 2018 is designed to provide attendees with a comprehensive review of the latest breakthroughs and advances in cardiovascular medicine. The course will focus on practical management of common cardiovascular conditions such as atrial fibrillation, valvular heart disease, myocardial infarction and hyperlipidemia. With a combination of didactic lectures, case-based presentations and panel discussions, faculty will discuss cutting-edge therapies as well as common challenges encountered in daily clinical practice.

Objectives

By attending this conference, attendees should improve their ability to:

- describe new advances in the management of atrial fibrillation
- discuss heart disease in women
- review non-invasive evaluation of valvular heart disease
- discuss how to treat PVCs
- discuss new pharmacologic agents for hyperlipidemia
- describe how to optimize the care of a patient after myocardial infarction

Target Audience

This CME conference has been designed to meet the educational needs of cardiologists, cardiac care providers, internists and family practitioners.

CME Accreditation and Credit Designation

Beaumont Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.

Acknowledgement

This conference will be partially supported by display fees from commercial supporters.
