Introduction

This conference is designed for OB/GYN Physicians, Nurses, Nurse Practitioners and Physician Assistants who treat patients with recurrent pregnancy loss.

Objectives

At the conclusion of the activity, learners should be better able to:

- Identify the role of genetic causes for RPL
- Discuss the role for uterine anomalies and thrombophilia in recurrent pregnancy loss
- Define the role of IVF with preimplantation genetic screening in the treatment of patients with recurrent pregnancy loss
- Understand the "HyperFertility syndrome" and its role in the recurrent pregnancy loss

CME Accreditation and Credit Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of William Beaumont Hospital and IVF Michigan Fertility Centers. William Beaumont Hospital is accredited by the ACCME to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
