

# Presenting: Teepa Snow— Best Practices in Dementia Care

*Learning to give care, without the fight*

**Tuesday, February 11th, 2020 •**

**8 am to 4 pm**

**Moceri Learning Center,**

**Qazi Auditorium**

**Beaumont Hospital, Troy**

This in-depth intensive workshop will help learners use effective strategies for helping people with dementia during interactions, care delivery, and daily engagement. The goal is to help reduce resistance to care and foster participation and use of preserved skills. To do this, the workshop will guide learners to help them develop better observational skills to recognize and intervene effectively when behavioral challenges occur. It will emphasize the value of matching helping behaviors to the person's needs and retained abilities to promote a sense of control and self-direction.

*This event has been approved for AMA PRA Category 1 Credits™.*
